# MOOSE PATIO DOORS

Ostaco has built one of the strongest and most durable patio doors in Canada! It's thick, multi-chambered design increases strength and performance. Calling it "**THE MOOSE**" seemed like the only option. Similar to our native animal, the **MOOSE** patio door is combined with strength, performance and beauty.

## NEW FRAME CONSTRUCTION

- **NEW** 5 5/8" for better frame depth coverage, even more chambers, cleaner lines and easier installation
- **NEW** optional co-extruded nailing fin giving 4 9/16" depth behind the fin
- **NEW** welded 5 5/8" direct set transom frame
- **NEW** double interior walls at each screw location for greater strength (recessed screw heads)
- Same great, heavy duty sash with adjustable nylon tandem panel rollers (5 precision ball bearing system) for superior smooth gliding operation

## NEW SILL

- **NEW** 10 degree slope sill with even more chambers to support our heavy duty sash and true-triple pane glass packages
- Option for internal drainage for even higher PG rating

## GLASS & GRILLES

- Choose from a range of high-tech glass and decorative grille options to give your door a custom-designed look
- For added energy efficiency and security, upgrade your 7/8" double pane glass to our 1 3/8", 'true-triple' pane glass

## HIGHER PERFORMANCE

- The **Moose** is Energy Star and CSA Certified. Providing you with top energy efficiency in the industry.
- Exceptional performance numbers (A3, B4, C3 or PG 55)

## YOUR DOOR, YOUR WAY

- Internal mini blinds available\*
- Solid White, Antique White and Tan vinyl\*
- Exterior can be painted to match any designer colour
- Interior available in Pine, Cherry or Oak wood laminate

## DURABLE SCREENS

The bold new screen design was created to eliminate bending and flexibility. The screen has a large extruded frame for increased rigidity and easy operation. Your screen door will slide open and closed with ease and grace.

Available in White, Brushed Nickel, Antique Brass, Faux Oil Rubbed Bronze

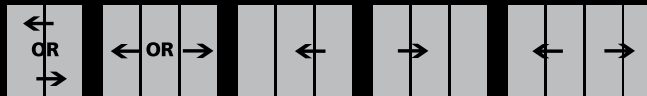

Extra wide screen frame for ultimate durability

\*Retrofit available in White only. Mini-blinds available in limited sizes and are not available in the Retrofit door.
